GUIDELINES FOR POSTER PRESENTATION

Poster Preparation

1. Poster Format Recommendations

- The poster should be printed at a size that fits the poster panel (portrait style).
Please refer to the picture below for the maximum poster size (width max. 90 cm, height 120-150 cm).
- The main content of the poster should be positioned in the upper section for optimal visibility.
All posters must be prepared in English.
- The organizing committee will not be held responsible for posters that cannot be displayed due to non-compliance with the specified size requirements.

2. Poster Display and Session Timing on the Day of Poster Presentation (July 10, 2026)

- The details regarding the designated time for poster installation and removal will be announced again on the ACCP2026 website in due course.

3. On the Day of Poster Presentation

- Presenters are expected to be at their posters during the designated presentation period to engage with attendees and respond to questions.
- Please arrive at the poster hall at least 15 minutes prior to the start of your session.
- Be prepared to briefly explain your work and answer questions from attendees and reviewers.
Please remain near your poster throughout your assigned time slot.
- Please ensure your poster is removed promptly at the end of the display period. Posters that are not removed by the designated deadline will be taken down by the organizing committee, which will not be held responsible for any loss or damage.
